

**School Performance Plan Addendum At-a-Glance
Executive Summary
SY22-23**

Introduction

In alignment with the goals and priorities of Prince George's County Public Schools (PGCPS), the School Performance Plan (SPP) allows for a transparent and collaborative school improvement process with a focus on student achievement.

An addendum to the School Performance Plan was developed in School Year (SY) 2022-2023 as the continuation of the detailed work and planning completed in the previous years. The SPP Addendum focuses schools on engaging in disciplined inquiry cycles through the use of Plan, Do, Study, Act. Through the successful utilization of Plan, Do, Study, Act, schools are able to plan, assess, and study school improvement actions to impact student achievement and teacher practice.

School Profile		
[School Name Level] School Performance Plan	School Code	School Designation

emotionally-within a positive school climate.

School Performance Plan Addendum At-a-Glance
Executive Summary
SY22-23

SMART Goals (A targeted aspiration that serves as the focal point for collective improvement efforts. S - specific; M - measurable; A - achievable; R - realistic; T - timebound.)		Strategy (A technique/area of focus that school teams will use to address the SMART Goal.)	TSI Evidenced-Based Strategy
1	Mathematics: On the May 202 administration of the MCAP math assessment, third, fourth and fifth grade students meeting or exceeding expectations will increase by 5 percentage points.	Teachers are not creating and pulling small groups daily to address the remediation needs of students; therefore, students lack prerequisite skills to complete math tasks. Teachers will unpack unit curriculum assessments and analyze assessment data in order to understand student learning needs.	
2	RELA/ELA: On the May 2023 administration of the MCAP Reading Assessment, third, fourth, and fifth-grade students meeting or exceeding expectations will increase by 5 percentage points		
3	:
