

CRI & Regional High School Transition (12)
Summer

Enrichment/Instructional Packet

Math, Reading, Science, Social Studies

**Prince George's County Public Schools
Division of Academics
Department of Curriculum and Instruction**

Dear High School (Grade 12) CRI and Regional Program Parents/Guardians,

Congratulations! You and your child made it through the end of the school year! The Department of Special Education wants you to know how much we appreciate your partnership with your child's teachers and support staff. Many creative instructional practices and materials have been used to help your child continue to work on their educational goals, including all of the hard work we know you have done at home. We want to offer the materials in this packet to you and your child as a way to allow continued growth over the summer. We know our students need the practice to keep their skills sharp!

This packet contains instructional activities in Reading, English, Language Arts, Math, Science, and Social Studies taught through the domains of Lifelong Learning, Daily Living, Personal Life, and Employability. The activities come with materials that you may print out and cut out if you choose. The instruction your child receives when he/she is in school or learning virtually is repeated over multiple days to help students learn and retain the skills and information. You may present the stories and learning activities more than one time to your child while at home.

This packet does not need to be turned in for grades. If you would like to share the completed pages with your child's teacher when school resumes in the new school year, it will provide that teacher with useful information about how your child's knowledge and skills have changed over the summer.

We wish you a healthy, happy, and restful summer. We can't wait to see you and your child next school year!

Sincerely,

PGCPS Department of Special Education

amusement park: an outdoor area with games, rides and other entertainment

Things to Learn From This Story

- You can make your own decisions.
- It feels good to make your own decisions.

At the Amusement Park

**Zach is at the amusement park. He
is ready to try new things. What will
Zach try?**

At the Amusement Park

Zach sees the merry-go-round. The
merry-go-round moves slowly. The
merry-go-round looks fun. Will Zach
try it? Would you try it?

At the Amusement Park

**Zach sees the roller coaster. The roller
coaster moves fast. The roller
coaster looks scary. Will Zach try it?
Would you try it?**

At the Amusement Park

Zach sees the pirate ship ride. The pirate ship ride moves back and forth. The pirate ship ride looks big. Will Zach try it?

Would you try it?

At the Amusement Park

Zach sees the waterslide.

The water

on the slide moves down.

The

waterslide looks slippery.

Will Zach

try it? Would you try it?

At the Amusement Park

Zach sees the balloon dart game.

**The dart moves in the air. The
balloon dart game looks fun.**

Will Zach try it ?

Would

At the Amusement Park

you try it ?

At the Amusement Park

Zach likes to go to the amusement park.

There are many things for him to try.

He can choose the things he wants to try.

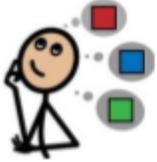

What would you try at
the amusement park ?

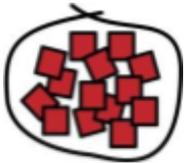

At the Amusement Park

f Tips:

- There are many decisions you can make.

- Think about all of your choices before making a decision.

- Think about what you like and do not like before making a decision.

INDEPEN DENCE DAY July 4

2019-2020

Declaration of Independence

Independence Day celebrates the U.S. becoming a country on July 4, 1776. Before that time, America was only 13 colonies ruled by England. People in the American colonies thought England's laws were not fair. Leaders decided to make their own, free country. Leaders met in Philadelphia, Pennsylvania, and wrote down why America should be free. They created a document called the Declaration of Independence.

The leaders signed the document on July 4, 1776.

A Family Celebrating the Fourth of July

The next year, Americans started celebrating Independence Day by ringing bells and lighting firecrackers on July 4. Today many people call Independence Day the Fourth of July. They celebrate by flying the American flag, watching parades and having cookouts. Many Americans watch beautiful fireworks shows at night. They celebrate the birthday of the U.S.!
