Dear Gwynn Park Middle School Teachers & Staff,

It is an honor to introduce myself as the newly appointed Principal of Gwynn Park Middle School and to join this extraordinary team of teachers and staff members. I hope this letter finds you enjoying the rejuvenating days of Summer. I can assure you that I share in the school's mission and vision, by being a leader who is committed to developing and creating a transformative and restorative community while ensuring we provide a learning environment that empowers a foundation of life-long learning.

I have been dedicated to the field of education with Prince George's County Public Schools for more than twenty years. Prior to becoming the Principal, I have been a Teacher, Reading Specialist, Academic Dean, Instructional Coach as well as a Middle School Assistant Principal. I am looking forward to utilizing my skills to build upon what has been established at GPMS and I feel very fortunate to be a part of this team to support the instructional program and the community.

I view education as a life-long process and continue to learn every year from our students, teachers, and parents. Most importantly, I believe that students should be at the center of all school-related decisions because the relationships between families and the school are vital to the success of our students. I encourage you to become involved in every way possible. If everyone is moving forward together, then success takes care of itself.

It is my desire to hear from you prior to the start of the 23-24 school year. July 12th will be a designated day for a Meet & Greet/ Listening Session at the school to capture your hopes and possibly even your fears as we transition into a new school year. Scheduling a meeting with me is optional but for those who would like a meeting please [click here](#) to sign up for an appointment.

I look forward to meeting you soon and remember, "Together We Make a Difference".

Sincerely,

*Terrill Hall*  
Principal
