Dear EXCEL Academy Public Charter School Community,

I hope this email finds you and your family well. For the 2024-2025 school year, EXCEL Academy Public Charter School will have a principal vacancy. Human Resources has begun the process to fill the position.

Please watch this video outlining the Administrative Procedure process for principal selection. It is important that you view the video linked below in its entirety, are aware of each phase of the process, and complete the survey.

A School Community Input Survey is below and will also be posted to EXCEL Academy Public Charter School's website. The results from the survey will allow us to get your feedback on attributes and necessary skills a principal of this unique school community should possess. The survey will be available for your input for the next 7 days.

If you are interested in being a part of the Principal Selection Interview Panel, please complete the following sign-up link: [Panel Interest Form](#)

I would like to thank you in advance for your support, cooperation, and feedback as we collaborate to find the next principal for EXCEL Academy Public Charter School.

Sincerely,

Elizabeth Saunders

Instructional Director, Charter Schools
